

Natural or certified organic ingredients

- Nordic Ecolabel the Swan
- 100% vegan ingredients
- With a pleasant scent of vanilla flower
- Water-resistant high sun protection SPF 30
- Multifunctional: for face, body & hair
- Professional beauty care that cares about your health and environment

Ecolabelled sun oil with hydrating and moisturising organic cold-pressed avocado oil. Very water-resistant sun protection against UVA and UVB rays. Use before sun exposure. Absorbs quickly without feeling greasy and leaves skin feeling healthy and moisturised with a beautiful glow. Nourishing organic avocado oil and vitamin E help to preserve and protect the skin's moisture balance and to keep the skin supple. Also help to protect the hair against sun, salt water and chlorine.

With a pleasant scent of vanilla flower.

USE: Apply the oil generously (a handful) on face, body and hair before sun exposure. Reapply frequently especially after swimming. It is important to use the recommended amount for optimal protection. The most effective protection against the sun's rays is to stay in the shade or wearing clothes. Keep babies and young children out of direct sunlight. Sun products may stain fabrics and other surfaces. Allow the product to fully absorb into the skin before contact with these.

INGREDIENTS: C12-15 Alkyl Benzoate, Dibutyl Adipate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Phenoxyethyl Caprylate, Ethylhexyl Triazone, Diheptyl Succinate, Diethylhexyl Butamido Triazone, Hydrogenated Dimer Dilinoleyl/Dimethylcarbonate Copolymer, Persea Gratissima Oil* (1%), Tocopherol, Capryloyl Glycerin/Sebacic Acid Copolymer, Parfum.

*Organic origin. Certified according to EC 834/2007.

Vegan ingredients.

Made in Denmark. Packaging: PP Bottle.

**ADDITIONAL INGREDIENT INFORMATION**

C12-15 Alkyl Benzoate

Synthetic and natural origin (plant-derived). Oil for solubilizing sunscreen filters.

Dibutyl Adipate

Synthetic origin. Oil for solubilizing sunscreen filters. Absorbs quickly into the skin and does not leave skin greasy.

Diethylamino Hydroxybenzoyl Hexyl Benzoate

Synthetic origin. Chemical UVA sun filter.

Phenoxyethyl Caprylate

Synthetic and natural origin (plant-derived). Oil for solubilizing sunscreen filters. Absorbs quickly into the skin and does not leave skin greasy.

Ethylhexyl Triazone

Synthetic origin. Chemical UVB sun filter.

Diheptyl Succinate

Natural origin (plant origin). 100% natural and sustainable emollient. Biodegradable alternative to silicone. Helps improve skin-feel and enhances shine and texture in hair care products.

Diethylhexyl Butamido Triazone

Synthetic origin. Chemical UVB sun filter.

Hydrogenated Dimer Dilinoleyl/Dimethylcarbonate Copolymer

Synthetic origin. Gives a water resistance effect.

Persea Gratissima Oil (1%)

Natural origin (plant-derived). Derived from organic avocado. Contains vitamins A, B1, B2, D and E. Good for dry, dehydrated and mature skin. Excellent moisturising and nourishing properties and effective on problem skin. Suitable for scalp. Makes hair and skin soft and more elastic.

Tocopherol

Synthetic origin. One of the most important antioxidants to protect against free radicals. Also known under the name vitamin E. Helps to maintain skin and hair's elasticity and suppleness.

Capryloyl Glycerin/Sebacic Acid Copolymer

Natural origin (plant origin). 100% natural and sustainable emollient. Biodegradable alternative to silicone. Helps improve skin-feel and enhances shine and texture in hair care products.

Parfum

Synthetic origin. Vanilla scent with undertones of white freesia, jasmine, cedar, milk, white musk, amber.
