Natural or certified organic ingredients

- Nordic Ecolabel the Swan and AllergyCertified
- 99,1% natural ingredients / 100% vegan ingredients / pH 3,5-4,5
- Part of Zenz Pure line. Without synthetic or essential perfume
- With organic cold-pressed avocado oil and organic purified aloe vera
- Strengthens hair and scalp. Hair becomes healthy, vibrant, shiny and easy to style
- Professional haircare that cares about your health and environment

CARE: Gives strength and vitality to all kind of hair - natural as well as chemically treated hair. Coating each strand of hair with a protective, invisible film to maintain the intensity of coloured hair. The hair is softened and becomes silky, but still light and fluffy. Suitable for delicate hair and sensitive scalp.

Without synthetic or essential perfume and therefore ideal for the whole family, children, pregnant women and scent-sensitive people.

USE: Apply in freshly washed hair - either towel dry or completely dry. Distribute a small amount throughout the hair and wrap a bag and/or towel around the hair. Wait for 10-30 minutes and rinse thoroughly with water. For very damaged hair, repeat the treatment once a week. Can be combined with oils to create a scent or to make it richer. If necessary, wash your hair after the treatment. Can be used as both rinse-out and leave-in treatment.

INGREDIENTS: Aqua, Cetearyl Alcohol, Persea Gratissima Oil* (3%), Behenamidopropyl Dimethylamine, Aloe Barbadensis Leaf Extract* (2,2%), Glycerin* (2,1%), Behenoyl PGTrimonium Chloride, Panthenol, Hydrolyzed Wheat Protein, Hydrolyzed Wheat Starch, Hexylene Glycol, Citric Acid, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid, Potassium Sorbate.

*Organic origin. Certified organic according to EC 834/2007.

99,1% of the total ingredients are of natural origin. Vegan ingredients.

Made in Denmark.

Packaging: PE Bottle / PP Lid.

ADDITIONAL INGREDIENT INFORMATION

Aqua

Natural origin. Water. Solvent.

Cetearyl Alcohol

Natural origin (plant-derived). Vegetable texturiser derived from palm or coconut oil.

Persea Gratissima Oil* (3%)

Natural origin (plant-derived). Derived from organic avocado. Contains vitamins A, B1, B2, D and E. Good for dry, dehydrated and mature skin. Excellent moisturising and nourishing properties and effective on problem skin. Suitable for scalp. Makes hair and skin soft and more elastic.

Behenamidopropyl Dimethylamine

Synthetic and natural origin (plant-derived). Emollient ingredient which makes the hair easy to comb, adds shine and makes a damaged and dull hair look healthy and shiny. Colour sealing properties.

Aloe Barbadensis Leaf Extract* (2,2%)

Natural origin (plant-derived). Derived from the leaves of organic aloe plants. Excellent skin and hair nourishing properties. Helps rebuild skin and hair, increases blood flow, retains skin moisture and regulates the acid balance. Aloe Vera gel contains 75 well-known and important vitamins and minerals for the body. Most important vitamins: antioxidants, vitamin A (Beta-carotene), B12, C and E. Minerals: magnesium, manganese, zinc, copper, chrome, calcium, sodium, potassium and iron. Aloe vera has a cooling effect. Soothes both redness and itching. Relieves pain. Therefore, it has good effect on scalp.

Glycerin* (2,1%)

Natural origin (plant-derived). Vegetable ingredient derived from organic fats and oils. Moisturises, softens and preserves the skin and hair's natural moisture balance. Improves skin and hair elasticity. Provides shiny and healthy hair.

Behenoyl PGTrimonium Chloride

Synthetic and natural origin (plant-derived). Emollient ingredient which makes the hair easy to comb, adds shine and makes a damaged and dull hair look healthy and shiny.

Panthenol

Synthetic origin. (B5) nourishes and protects hair. Good for dull and damaged hair. Restores volume and shine.

Hydrolyzed Wheat Protein

Natural origin (plant-derived). Wheat protein hydrolyzed. Provides moisture and balance to hair. Rebuilds damaged hair.

Hydrolyzed Wheat Starch

Natural origin (plant-derived). Wheat starch hydrolyzed. Provides moisture and balance to hair. Rebuilds damaged hair.

Hexylene Glycol

Synthetic origin. Emollient ingredient which makes the hair easy to comb, adds shine and makes a damaged and dull hair look healthy and shiny.

Citric Acid,

Natural origin (plant-derived). Helps to adjust the pH balance. Produced by a fungus and occurs naturally in citrus fruits.

Phenoxyethanol

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified

Benzoic Acid

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Dehydroacetic Acid

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Potassium Sorbate

Synthetic origin. Occurs naturally in rowan berry seeds (mountain ash, Sorbus aucuparia). Mild preservative approved by Nordic Ecolabel and AllergyCertified.
