

Natural or certified organic ingredients

- Nordic Ecolabel and AllergyCertified
- 83,6% natural ingredients / pH 4,5-5,5
- Part of Zenz Pure line. Without synthetic/essential perfume
- Based on water and natural ingredients
- NEW travel size 50 ml (no. 01, 02, 06, 07, 08)
- Professional haircare that cares about your health and environment

Award-winning styling paste with beeswax and soothing natural ingredients which provide structure, moisture and volume.

Without synthetic/essential perfume and therefore ideal for the whole family, pregnant women, children and scent-sensitive people.

USE: Use in wet or dry hair. Work the paste into wet hair during blow-drying to provide more structure or use it on dry hair for extra hold. Distribute in small quantities where you want to give the hair hold and strength.

AWARDS:

AllergyAward 2016: Best skin friendly product for men.

Comment from the jury:

"Easy styling without fragrance. Love that my hair does not have to fight against my perfume. Can be used on wet or dry hair and gives a very natural hold and structure.

I love that it is organic at the same time".

Danish Beauty Award 2011: Danish Product of the Year.

Comment from the jury:

"The winner is soft and creamy without a greasy feeling. A no fuzz choice that keeps its promise. The judges have - successfully - used it not only on themselves but also on all family members. Simple ease with a very natural result".

INGREDIENTS: Aqua, Cetearth-30, C18-36 Acid Triglyceride, Alcohol Denat. (Isopropyl Alcohol), Glycerin, Cetearyl Alcohol, Cera Alba, Hydroxypropyltrimonium Hydrolyzed Corn Starch, Lanolin, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid.

83,6% of the total ingredients are of natural origin.

Made in Denmark.

Packaging: PE Bottle / PP Lid.

**ADDITIONAL INGREDIENT INFORMATION**

Aqua

Natural origin. Water. Solvent.

Ceteareth-30

Synthetic and natural origin (plant-derived). Emulsifier.

C18-36 Acid Triglyceride

Synthetic and natural origin (plant-derived). Adds consistency and hold.

Alcohol Denat. (Isopropyl Alcohol)

Synthetic and natural origin. The alcohol is from natural origin and the isopropyl alcohol (used to denaturate the alcohol) is synthetic. Used as a solubiliser for the rest of the ingredients.

Glycerin

Natural origin (plant-derived). Vegetable ingredient derived from organic fats and oils. Moisturises, softens and preserves the skin and hair's natural moisture balance. Improves skin and hair elasticity. Provides shiny and healthy hair.

Cetearyl Alcohol

Natural origin (plant-derived). Vegetable texturiser derived from palm or coconut oil.

Cera Alba

Natural origin (produced by animals). Derived from natural beeswax. Provides great hold in hair. Nourishing properties.

Hydroxypropyltrimonium Hydrolyzed Corn Starch

Synthetic and natural origin (plant-derived). Styling agent produced from modified corn starch. Provides good hold.

Lanolin

Natural origin (produced by animals). Derived from sheep's wool. Provides hold and shine to hair.

Phenoxyethanol

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified

Benzoic Acid

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.
