**ADDITIONAL INGREDIENT INFORMATION**

---

**Aqua**

Natural origin. Water. Solvent.

**Cetareth-30**

Synthetic and natural origin (plant-derived). Emulsifier.

**Cera Alba**

Natural origin (produced by animals). Derived from natural beeswax. Provides great hold in hair. Nourishing properties.

**Hydrogenated Vegetable Oil**

Natural origin (plant-derived). A mixture of natural oils that has been stabilized by turning the unsaturated fatty acids into saturated fatty acids. Provides consistency.

**C18-36 Acid Triglyceride**

Synthetic and natural origin (plant-derived). Adds consistency and hold.

**Butyrospermum Parkii Butter**

Natural origin (plant-derived). Derived from the nut of the shea tree. Has for centuries been used to treat both skin and hair. Cold-pressed, refined and low odour vegetable fat, rich in unsaturated fatty acids. Natural content of vitamin E, which is particularly beneficial as moisturiser preserving the skin's elasticity and preventing premature skin ageing. Good after feel on skin. Anti-ageing and anti-inflammatory properties.

**Glycerin**

Natural origin (plant-derived). Vegetable ingredient derived from organic fats and oils. Moisturises, softens and preserves the skin and hair's natural moisture balance. Improves skin and hair elasticity. Provides shiny and healthy hair.

**Prunus Amygdalus Dulcis Oil**

Natural origin (plant-derived). Derived from organic sweet almond. Almond oil has a high content of linolenic acid (GLA) and contains vitamins A, B1, B2 and B6 and some vitamin E. Softens, moisturises and adds suppleness. Enhances the natural resilience of hair and skin. Protects and cares for sensitive skin.

**Cetearyl Alcohol**

Natural origin (plant-derived). Vegetable texturiser derived from palm or coconut oil.

**Lanolin**

Natural origin (produced by animals). Derived from sheep's wool. Provides hold and shine to hair.

**Tapioca Starch**

**Naturlig oprindelse (udvundet af planter). Stivelse udvundet af kassavarod. Viskositetsstabilisator.**

**Hydroxypropyltrimonium Hydrolyzed Corn Starch**

Synthetic and natural origin (plant-derived). Styling agent produced from modified corn starch. Provides good hold.

**Phenoxyethanol**

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified

**Benzoic Acid**

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

**Dehydroacetic Acid.**

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified.
