- Nordic Ecolabel the Swan and AllergyCertified
- 95% natural ingredients / 100% vegan ingredients / pH 3-4
- Without silicone
- Part of Zenz Pure line. Without synthetic/essential perfume
- Gives hair a matte wavy look with medium hold
- Professional haircare that cares about your health and environment

Non-aerosol ecolabelled and allergy certified beach mist designed to give your hair a nice beach look with great texture and volume. Provides medium hold for fine hair. The salt water spray makes your hair easy to style and holds your hair in place. Gives a matte and wavy look and does not leave hair feeling dry.

With moisturising ingredients, organic avocado oil and a natural content of French Mediterranean sea salt which provide optimal hair care and help prevent hair and scalp from drying out. To keep hair healthy and well-groomed, we recommend using a little Zenz Organic oil or conditioner as leave-in before using the salt water spray.

Without synthetic/essential perfume and therefore ideal for the whole family, children, pregnant women and scent-sensitive people.

USE: Use in wet or dry hair. In wet hair, spray on hair roots before blow-drying to create volume. Spray on hair and let it air-dry to obtain a beach look with natural texture. Suitable for all hair types.

**ADDITIONAL INGREDIENT INFORMATION**

Aqua

Natural origin. Water. Solvent.

Maris Sal

Natural origin (mineral-derived). French Mediterranean Sea Salt.

Alcohol Denat. (Isopropyl Alcohol)

Synthetic and natural origin. The alcohol is from natural origin and the isopropyl alcohol (used to denaturate the alcohol) is synthetic. Used as a solubiliser for the rest of the ingredients.

PVP

Synthetic origin. Styling agent. A polymer that helps to give the hair hold.

Persea Gratissima Fruit Extract*

Natural origin (plant-derived). Derived from organic avocado. Contains vitamins A, B1, B2, D and E. Good for dry, dehydrated and mature skin. Excellent moisturising and nourishing properties and effective on problem skin. Suitable for scalp. Makes hair and skin soft and more elastic.

Magnesium Sulfate

Natural origin (mineral-derived). Stabiliser for the product.

Glycerin*

Natural origin (plant-derived). Vegetable ingredient derived from organic fats and oils. Moisturises, softens and preserves the skin and hair's natural moisture balance. Improves skin and hair elasticity. Provides shiny and healthy hair.

Sorbitol

Natural origin (plant-derived). Moisturises, softens and preserves the skin and hair's natural moisture balance.

Panthenol

Synthetic origin. (B5) nourishes and protects the hair. Good for dull and damaged hair. Restores volume and shine.

Citric Acid

Natural origin (plant-derived). Helps to adjust the pH balance. Produced by a fungus and occurs naturally in citrus fruits.

Sodium Benzoate

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Potassium Sorbate

Synthetic origin. Occurs naturally in rowan berry seeds (mountain ash, Sorbus aucuparia). Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Phenoxyethanol

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified

Benzoic Acid

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Dehydroacetic Acid

Synthetic origin. Mild preservative approved by Nordic Ecolabel and AllergyCertified.
