5000 ml / 169 fl.oz. / EAN 0 000000 000000

- 97% natural ingredients / 100% vegan ingredients / pH 3
- With nourishing plants and fruit extracts as aloe vera, camomile, apricot and peach
- Intensive hair treatment to restore the scalp's natural balance
- Helps the hair colour last longer and makes the hair shiny and soft
- Professional haircare that cares about your health and environment

CARE: In depth hair treatment which cleanses the hair and scalp and makes the hair shiny and soft. A mixture of apple extract, nourishing aloe vera, soothing camomile and fruit extracts from cloudberry, apricot and peach, gently cleanses hair and scalp in depth. Waste products and limescale is removed from the hair, making it soft and easier to style. The hair looks shinier and fuller and scalp is kept clean and healthy. Coloursealing. Clean and fresh scent. Suitable for all hair types.

USE: Wash hair as usual. Dissolve 3 capfuls in a glass of water. Pour the mixture into your hair and let it sit for 2-3 minutes. Rinse thoroughly. Finish with conditioner or hair treatment no. 03. Apply once a week to keep scalp clean and healthy.

INGREDIENTS: Aqua, Pyrus Malus Fruit Water, Acetum, Glycerin, Citric Acid, Butylene Glycol, Aloe Barbadensis Leaf Juice, Sodium Benzoate, Polysorbate 80, Helianthus Annuus Seed Extract, Urea, Potassium Sorbate, Chamomilla Recutita Extract, Rubus Chamaemorus Fruit Extract, Allantoin, Prunus Armeniaca Fruit Extract, Prunus Persica Fruit Extract, Pyrus Malus Fruit Extract.

97% natural ingredients. Vegan ingredients.

Made in Denmark.

Packaging: Eco-friendly recycled plastic.

ADDITIONAL INGREDIENT INFORMATION

Aqua

Natural origin. Water. Solvent

Pyrus Malus Fruit Water

Natural origin (plant-derived). Obtained from the fruit of the apple, *Pyrus malus*.

Acetum

Natural origin (plant-derived). Also known as vinegar. Helps to adjust the PH balance. Fruit vinegar is a product obtained from the maceration of apple vinegar with the following fruits, apricot, apple and peach. Antistatic function.

Glycerin

Natural origin (plant-derived). Vegetable ingredient derived from fats and oils. Moisturises, softens and preserves the skin and hair's natural moisture balance. Improves skin and hair elasticity. Provides shiny and healthy hair.

Citric Acid

Natural origin (plant-derived). Helps to adjust the pH balance. Produced by a fungus and occurs naturally in citrus fruits.

Butylene Glycol

Synthetic origin. Small organic alcohol used as solvent in the manufacture of *Helianthus Annuus Seed Extract*. Moisturising properties.

Aloe Barbadensis Leaf Juice

Natural origin (plant-derived). Derived from the flowers of the aloe plant, *Aloe Barbadensis*. Excellent skin and hair nourishing properties. Helps rebuild skin and hair, increases blood flow, retains skin moisture and regulates the acid balance. Aloe Vera gel contains 75 well-known and important vitamins and minerals for the body. Most important vitamins: antioxidants, vitamin A (Beta-carotene), B12, C and E. Minerals: magnesium, manganese, zinc, copper, chrome, calcium, sodium, potassium and iron. Aloe vera has a cooling effect. Soothes both redness and itching. Relieves pain. Therefore it has good effect on scalp.

Sodium Benzoate

Synthetic origin. Can be found in some plants. Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Polysorbate 80

Synthetic origin. Emulsifier.

Helianthus Annuus Seed Extract

Natural origin (plant-derived). Extract of the seeds of the sunflower, *Helianthus annuus*. Skin conditioning function.

Urea

Synthetic origin. Produced from ammonia. Also known as carbamide. Antistatic, humectant, skin conditioning and moisturising function.

Potassium Sorbate

Synthetic origin. Occurs naturally in rowan berry seeds (mountain ash, *Sorbus aucuparia*). Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Chamomilla Recutita Extract

Natural origin (plant-derived). Extract of the flowerheads of the plant *Chamomilla recutita*. Skin conditioning function.

Rubus Chamaemorus Fruit Extract

Natural origin (plant-derived). Extract of the fruit of the cloudberry, *Rubus Chamaemorus*. Antioxidant.

Allantoin

Natural origin (plant-derived). Naturally occurring nitrogenous compound. Skin conditioning, skin protecting and soothing function.

Prunus Armeniaca Fruit Extract

Natural origin (plant-derived). Extract of the fruit of the apricot, *Prunus armeniaca*. Skin conditioning function.

Prunus Persica Fruit Extract

Natural origin (plant-derived). Extract of the fruit of the peach, *Prunus persica*. Abrasive, moisturising and skin conditioning function.

Pyrus Malus Fruit Extract

Natural origin (plant-derived). Extract of the fruit of the apple tree, *Pyrus malus*. Skin conditioning function.
