

Natural or certified organic ingredients

- AllergyCertified
- 100% vegan ingredients
- Without silicone
- Part of Zenz Pure line. Without synthetic/essential perfume
- Gives hair maximum fullness
- Professional haircare that cares about your health and environment

Volume hair powder without silicone. Adds texture, maximum volume and hold in both short and long hair. Gives long hair a tousled look. Fixes without weighing down the hair. Gives structure without leaving visible residue on hair and scalp. Can also be used in hair, which tends to appear greasy as it absorbs dirt and grease from the hair strands so the hair gets a clean and healthy look.

Without synthetic/essential perfume and therefore ideal for the whole family, children, pregnant women and scent-sensitive people.

USE: Sprinkle onto dry hair at the roots. Using your fingertips, gently work the powder into your hair. Can be used in all types of hair, both short and long hair. For women and men. Ideal for hair that tends to flatten or for updos/piled up hair.

INGREDIENTS: Aqua, Silica Silylate, PEG-8, Potassium Sorbate, Citric Acid.

Vegan ingredients.

Made in Switzerland.

AllergyCertified. www.allergycertified.com

ADDITIONAL INGREDIENT INFORMATION

Aqua

Natural origin. Water. Solvent.

Silica Silylate

Synthetic and natural origin (mineral-derived). The main ingredient responsible for the volume effect. This ingredient makes it possible to make a powder from a liquid (about 1/3 of the formulation is liquid).

PEG-8

Synthetic origin. Liquid ingredient that keeps the product moist and stable.

Potassium Sorbate Synthetic origin. Occurs naturally in rowan berry seeds (mountain ash, *Sorbus aucuparia*). Mild preservative approved by Nordic Ecolabel and AllergyCertified.

Citric Acid

Natural origin (plant-derived). Helps to adjust the pH balance. It is produced by a fungus and occurs naturally in citrus fruits.
