Volume and fixing spray to give the hair strength and extra hold. Perfect after using Zenz Day Colour & Volume Boost - a coloured hair powder that effectively covers an outgrowth and creates a fuller appearance. Volume Fixing Spray fixes the plant fibers to the hair shaft and provides more hold, so the hair looks fuller throughout the day.

USE: Can be used before or after styling. Spray into the hair to give the hair strength and extra hold. Spray into the hair after using Zenz Day Colour & Volume Boost to attach and fix the plant fibers.
