

The best customised salon hair treatment

Zenz Treatment no. 03 is a hair treatment, which can be customised to the customer's specific needs. Use Zenz Treatment no. 03 as a base product and mix it with Zenz Blond Ultra Powder or Zenz botanical henna hair colour. Finish with the plant-based cider treatment, Zenz Hair Rinse & Treatment Fresh Herbs no. 87. When the colour is washed out, give the hair a treatment customised to the customer's hair and scalp, which is mixed by Zenz Treatment no. 03 and Zenz Oil Treatment.

The result is healthy hair. The possibilities are endless with Zenz Treatment no. 03. Offer the treatment as a new treatment in the salon. Or give the customer Zenz Treatment no. 03 as well as Zenz Oil Treatment home to give the customer the opportunity to improve the hair quality at home. Zenz Treatment no. 03 is unique in its formula and contains cold pressed organic avocado oil, which rebuilds and improves the hair shaft and not only provides a cosmetic effect. Also use the hair treatment to prepare hair before colour treatment, natural as well as chemical.

Ecolabelled and allergy certified hair treatment, based on cold-pressed organic avocado oil, developed by hairdressers and produced in Denmark

The unique hair treatment which is without silicone, penetrates deep into the hair and conditions the hair follicles and scalp. The hair becomes stronger, healthier and shinier. It takes better against colour treatments and retains colour beautiful in hair that is already coloured.

Try it yourself, you will be convinced!
